

# Raincheck

Hannah Jane Lewis

[Verse 1]

Think you can read me? Go ahead and try  
Won't make it easy, 'cause I know your type  
You think you're winning, two steps ahead  
I'm busy running circles right around your head[Pre-Chorus]

Keep my cool and pushing toward, you, you  
Jump through hoops, won't break my rules for you[Chorus]

Hey, I'mma take a raincheck, babe

I'm gonna make you wait

I'm gonna play my ace, play my ace

But, hey, I'll give you a little taste

Then I'm gonna walk away

I'm gonna twist your game, raise the stakes

Hey, I'mma take a raincheck, babe

I'm gonna make you wait

I'm gonna play my ace, play my ace

But, hey, I'll give you a little taste

Then I'm gonna walk away

I'm gonna twist your game, raise the stakes[Verse 2]

Show me your scars and I'll show you mine

You do it first before we change our minds

You got some problems, I got one or two

We got that in common, maybe we're too proud to lose[Pre-Chorus]

Keep my cool and pushing toward, you, you

Jump through hoops, won't break my rules for you

[Chorus]

Hey, I'mma take a raincheck, babe

I'm gonna make you wait

I'm gonna play my ace, play my ace

But, hey, I'll give you a little taste

Then I'm gonna walk away

I'm gonna twist your game, raise the stakes[Bridge]

Tell me what you're feeling

Think you're what I'm needing

I can't let you leave me

Tell me what you're feeling

Think you're what I'm needing

I can't let you leave me[Chorus]

Hey, I'mma take a raincheck, babe

I'm gonna make you wait  
I'm gonna play my ace, play my ace  
But, hey, I'll give you a little taste  
Then I'm gonna walk away  
I'm gonna twist your game, raise the stakes[Outro]  
So hey
