

American Girl

Tom Petty & The Heartbreakers

Well she was an American girl
Raised on promises
She couldn't help thinking that there
Was a little more to life somewhere elseAfter all it was a great big world
With lots of places to run to
Yeah, and if she had to die tryin'
She had one little promise she was gonna keepOh yeah, all right
Take it easy baby
Make it last all night
She was an American girlWell it was kinda cold that night
She stood alone on her balcony
Yeah, she could hear the cars roll by
Out on 441, like waves crashin' on the beachAnd for one desperate moment there
He crept back in her memory
God it's so painful, something that's so close
And still so far out of reachOh yeah, all right
Take it easy baby
Make it last all night
She was an American girl
