Desire

Phil Wickham

Im running through the gates of love as fast as I can
I cant wait to see You, 'cause Im desperate man
You made the light and sent it down to show us who You are
Now its bursting out my heartMy desire is burning like a million stars
And Ill keep reaching out, reaching out for YouId be nothing without You, yeah, I would die
If I didnt have Your hand, if I couldnt look into Your eyes
Jesus, if Your loves the fuel then Im the desperate flame
Thats screaming out Your nameMy desire is burning like a million stars
And Ill keep reaching out, reaching out for You
My desire is burning with the fire You sparked
And Ill keep reaching out, reaching out for YouThis is glory rising over a new horizon
I see Your love, I feel Your smile
You're in my heart and I will run
With all I have to YouMy desire is burning like a million stars
And Ill keep reaching out, reaching out for You
My desire is burning with the fire You sparked
And Ill keep reaching out, reaching out for YouI'm reaching out for You
I'm reaching out for You, You, You
