Desire

Phil Wickham

Im running through the gates of love as fast as I can I cant wait to see You, 'cause Im desperate man You made the light and sent it down to show us who You are Now its bursting out my heartMy desire is burning like a million stars And Ill keep reaching out, reaching out for YouId be nothing without You, yeah, I would die If I didnt have Your hand, if I couldnt look into Your eyes Jesus, if Your loves the fuel then Im the desperate flame Thats screaming out Your nameMy desire is burning like a million stars And Ill keep reaching out, reaching out for You My desire is burning with the fire You sparked And Ill keep reaching out, reaching out for YouThis is glory rising over a new horizon I see Your love, I feel Your smile You're in my heart and I will run With all I have to YouMy desire is burning like a million stars And Ill keep reaching out, reaching out for You My desire is burning with the fire You sparked And Ill keep reaching out, reaching out for YouI'm reaching out for You I'm reaching out for You, You, You
