When You're Lonely

Jordan Knight

I know he hurt you
I see you cryin
Girl I can stop the rain from falling
Just let me hold you
I wanna tell you
All the things you need to hear
Let me be the one you need
Everything you want I'll be
Baby when you're lonely
I'll be there to dry your tears
Baby when you're lonely
Don't you worry I'm right here
He always told you
He never showed you
Love is more than saying the words
Someone to talk to
Someone to listen

Something that I know you've been missing
Let me be the one you need
Everything you want I'll be
Baby when you're lonely
I'll be there to dry your tears
Baby when you're lonely
Don't you worry I'm right here
To take away the pain you feel
You never had a love that's real
I will always be holding you close to my heart
Girl we'll never be apart
Baby when you're lonely
I'll be there to dry your tears
Baby when you're lonely
Don't you worry I'm right here
