Like It Like That

Insane Clown Posse

I'll ride a fucking pogo stick all over your face
With Shaggy on my shoulders adding to the weightWe like it like that, fuck you
We like it like that, so fuck y'allWe love all hoes, skinny old hoes
Big balled hoes, we dig all thoseWe like it like that, fuck you
We like it like that, so fuck y'allWe slap rappers in the head with the mic during freestlye wars
And get thrown out the doorsWe rock our own wear, and if we don't care
About what the fuck is going on out thereWe like it like that, fuck you
We like it like that, so fuck y'allFuck you, fuck y'all
Fuck you, fuck y'allWhen the streets go quiet it means something's wrong
I'm standing on a corner sippin' on something strongWe like it like that, fuck you
We like it like that, so fuck y'allChannel 719 hit us with the high beam
Wicked clowns choppin' em down live on the sceneWe like it like that, fuck you
We like it like that, so fuck y'allSometimes my dome feels like a cherry bombI gotta pound his fucking head
with a hammer to keep him calmGet himWe so deep underground, the devil came around
But got his tail chopped off by Shaggy the clownWe like it like that, fuck you
We like it like that, so fuck y'allFuck you, fuck y'all
Fuck you, fuck y'allWe livin' in a fun house, walkin' through mirrors and walls
The floor spins and it rains in the hallsWe like it like that, fuck you
We like it like that, so fuck y'allMany hate us, but we the greatest
y'all just keep talkin, elevate usWe like it like that, fuck you
We like it like that, so fuck y'allWe human cannonballs flyin' with no necks
Into brick walls scarier the show getsWe throw punches, hittin' faces like freight trains
Guaranteed to put shit in your HanesWe like it like that, fuck you
We like it like that, so fuck y'allFuck you, fuck y'all
Fuck you, fuck y'all
Fuck you, fuck y'all
Say fuck you
Fuck y'all (Fuck you)
Man fuck you bitches (Fuck y'all)
Fuck y'all (Fuck you)
What you gonna do bitch (Fuck y'all)
I say fuck y'all (Fuck you)
Man fuck all you hoes (Fuck y'all)
