

# Lovesexy

## Prince

New Power, New Power, give it to me  
Oh, it need some bottom in here...lay it on me(hey now, hey now)Everybody on the block say it is the best  
The most vital is what they say, more or less  
It put my name upon my thigh  
It makes me dance, It makes me cry  
And when I touch it race cars burn rubber in my pants[Chorus:]  
This feeling's so good in every single way  
I want it morning, noon and night of every day  
And if by chance I can not have it - I can't say  
But with it I know heaven's just a kiss away  
Kiss awayDig me nowAnyone that's ever touched it,  
They don't want anything else (no they don't)  
And I got to tell the world,  
I just can't keep it to myself  
All in life becomes easier,  
No question is unresolved  
And I'm not afraidCome on and touch it, I know you will love it  
With it I know that heaven's a butterfly kiss away[Chorus]LovesexyLovesexyRain is wet, sugar is sweet  
Clap your hands, stomp your feet  
Everybody, everybody knows (Lovesexy)  
When love calls, you got to goLovesexyTonight we make love with only words  
Girls first, girls first  
OK so like first I'll start by telling you how  
Intelligent a curve your behind has  
And then I can tell you that I can just smell you  
And race cars burn rubber in my pants  
But I really dig trippin' on the thought of  
Being caught by someone with your beauty, style and grace  
Baby I don't care I would rip out my hair  
For just two nights with your face  
I don't want to make love to you  
I just want to look at you  
I just want to listen to youOh, pretty little whip, you got me drippin'  
Drippin' all over the floor, the floor  
If I come back as a woman, I want a body like yours  
A body like yoursLiving rooms  
I think...I think you would  
I think you want to play house  
Yeah, I think you want to play houseLovesexyYou don't mind

I think you...uh...  
I think you want me to (beep) inside of you  
Yea...yeah...I...You want (Lovesexy) me to s...suck around your living room  
Ha ha  
Yeah, you...you want me to walk right down your hallsMmm hmmm  
LovesexyYou want me to swivel in your love seat  
Don't you baby?You want me to write my name on your walls  
You want me to write my nameLovesexy  
We make love with only words  
I'll make love to you, tomorrowSweet dreams
