

# Old Friends 4 Sale

## Prince

The sun set in my heart this evenin'  
'Cause an old friend of mine got lost in the jive  
Little did she know, when you're stuck in the snow  
Nobody gets out alive Tears fall gently in my garden  
As I wait in vain for my sweet baby to call  
I guess what my own brother told me was true  
He had been with my sweet baby  
And she never really loved me at all Night fell so dark this evenin'  
The moon wasn't shining' nowhere  
Sometimes that old light in the alley  
Would light up this old heart of mine  
But now I'm wonderin'  
If there's someone up there who really cares The night fell darkest in Persia  
What used to flow blue is now flowin' black  
Many a doctor can try but only heaven knows why  
When it comes to love  
Why do some men, why do some men turn their backs?  
Can't somebody please tell me? Maybe the morning air will make me feel better  
Oh, I hope, better than I feel right now  
Last night a stranger took my picture  
And then he, uh, he asked if I'd buy it  
Huh, I said, "I guess I don't know how" Old, old friends 4 sale  
Get 'em while the gettin' is hot but you better watch out  
They'll kiss you until they get what you got  
And they'll show you the friends that they're not  
Old friends 4 sale, yeah
