Jesus I come

Luke Mbang

JESUS I COME

Out of my bundage sorrow and night
Jesus I come
Into your freedom gladness and light
Jesus I come
Out of my sickness in your health
Out of my want into wealth
out of my sin into your self
Jesus I come, I come

CHORUS
Lord I am thirsty
Lord I am down on my knees
and through all of the Valleys
Your word is spoken to me
You are my sherpered
All that I have all I need
Jesus I come

Out of the fear of all the unknown
Jesus I come
Into the joy and light of your home
Jesus I come
Out of the depts of ruins untold
Into the peace of a sheltering fold
Having your glorious face to behold
Jesus I come, I come

CHORUS
Lord I am thirsty
Lord I am down on my knees
and through all of the Valleys
Your word is spoken to me

Lord I am thirsty
Lord I am down on my knees
and through all of the Valleys

Your word is spoken to me

You are my sherpered
All that I want all I need

You are my sherpered
All that I want all I need
Jesus I come.....
Jesus I come.....
Jesus I come.....
Jesus I come.....
