

The Fall, Pt. 2

Intergalactic Lovers

Throughout the busy crowd he finds, he finds his way to me,
Drapes his arms around my waist as he whispers softly:
I can see that you choose the hardest card in love,
The hardest card of hearts, yeah the unconditional, undefinable. Don't, don't you fear the fall, there's no right or
wrong in love.
Perception, perception is odd oh, you ugly.
And don't, don't you fear the fall.
And don't, don't you fear the fall. As the highway lights are my new guide and my new guiding star,
I've been screening this horizon to figure out where you are.
And I see that you're holding the purest of hearts, the purest of hearts, yeah the unconditional,
undefinable. Don't, don't you fear the fall, there's no right or wrong in love.
Perception, perception is odd oh, both you ugly.
And don't, don't you fear the fall.
And don't, don't you fear the fall. Don't, don't you fear the fall.
Don't, don't you fear the fall.
Perception is odd.
Perception is odd.
And oh, don't you fear the fall.
