

Never Say Goodbye

JoJo

Never been in love
'Cause a girl like me
Never had someone to care for
Never thought there could be
Someone special for me
And now I'm all in love
'Cause a girl like me
Waited patiently for someone
Someone to care for me
And there will never be No more lonely, no more just me
I've been there before
Ain't going no more
And now that you're here I
Never wanna say goodbye love
Never wanna be without you
No more cryin', no denyin'
I'm in love with you
And now that you're here I
I never wanna say goodbye love Now it's time for me
To find out what a first time love could mean
Little scared but it's cool
'Cause it's worth it
Now I finally fell in love
And I know that it
Gots to be for real, so real
It's the way that I feel
So come share my world with me
So there will never be No more lonely, no more just me
I've been there before
Ain't going no more
And now that you're here I
Never wanna say, never wanna say, no
Never wanna be without you
No more cryin', no denyin'
I'm in love with you
And now that you're here I
I never wanna say goodbye love So I'm standin' here arms open wide
Ready to give my heart
I'm sure this time

Love's gonna last for life
Baby I know things change
And there might be some rain
But the clouds are gonna clear
And the sun is gonna shine again
Shine light on our love, baby
So let's make it last forever No more lonely, no more just me
I've been there before
Ain't going no more
And now that you're here
Never wanna say goodbye love
Never wanna be without you, no
No more cryin', no denyin'
I'm in love with you
And now that you're here
Never wanna say goodbye love Da da da da da da, ohh
