Clee Walks

Simplified

You're looking at me
What do you see
I don't like what's in front of me
I'm on my way
To a better day
Chasing the dream in front of me

This is me walking
Away from you
This is me talking
I don't want it anymore

You're so unclear
Fuck you and your fear
You're not worth the pain inside
You and me another day
Finally got the balls to say
I don't want it no more
You and me another day
Finally got the balls to say
I don't want it no more

This is me walking
Away from you
This is me talking
I don't want it anymore
I don't want it no more
I don't want it no more
