

Endlessly

Mystery Skulls

Tears that I cry, I've been holding on
I've been holding on, I've been holding onI won't let them take you away from me
I'll be your protection and I'll fight for you endlessly
I won't let them take you away from me (I won't let them take you)
I'll be your protection and I'll fight for you endlesslyIn my mind, thought it was just an illusion
Thought it was something like this
I just can't runI won't let them take you away from me
I'll be your protection and I'll fight for you endlessly
I won't let them take you away from me (I won't let them take you)
I'll be your protection and I'll fight for you endlessly
I won't let them take you away from me
I'll be your protection and I'll fight for you endlessly
I won't let them take you away from me (I won't let them take you)
I'll be your protection and I'll fight for you endlessly
I'll be your protection and I'll fight for you endlessly
