Enjoy Ya Self

Chubb Rock

Advisory - the following lyrics contain explicit language:

Enjoy ya self 'cause life is too short
Everybody dismantle your shotty
Your nine millimeter needs to take a long breather
For the white black Jewish Koreans need toGrab a neighborhood skirt, go to a concert
Scream for Chubb while I rip up the club
The rhythm of the vibe was alive and you felt it
Your girl is provocative, you take her home and pelt it
And after the pelt, she feels like a cheddar melt
Just play it cool, and justEnjoy ya self, enjoy ya self
Enjoy ya self, and just enjoy ya self
Enjoy ya self, enjoy ya self
Enjoy ya self, and just enjoy ya selfChubb is not a party animal
But when it comes to a jam, I have the plan like Hannibal
Smith, I don't take a draw from no spliff
The scene of the beam doesn't redeem and ifI wanna get high, I just fly
Walk up to a cutie, and say, "Hi
When I wake up tomorrow, are you gonna be next to me?"
She's confused, but she sweats me
I wear my galoshes so I can protect myself
Carry yours G, if you just wannaEnjoy ya self, enjoy ya self
Enjoy ya self, and just enjoy ya self
Enjoy ya self, enjoy ya self
Enjoy ya self, and just enjoy ya selfPeople used to say that I was a fuddy-duddy
Only used to care about how to make money
Up from the Hamptons to Flushing Meadows
(Enjoy)
Decorated by an Art DecoMy nickname was 'The one'
(Enjoy)
Now 'The one' was the only one who didn't have fun
But no more, goin' buck wild on the tour
Keepin' people in stitches on the floorClark Kent and Tracie thought I was spicy
The funniest in the nation laughed for the duration

Don't play yourself 'cause yourself needs a good self
And justEnjoy, enjoy ya self, enjoy ya self
Enjoy ya self, and just enjoy ya self
Enjoy ya self, enjoy ya self
Enjoy ya self, and just enjoy ya selfEnjoy ya self
And just enjoy ya self
Enjoy ya self
And just enjoy ya selfEnjoy ya self, enjoy ya self
Enjoy ya self, and just enjoy ya self
