

# Invert the Inverted Cross

## Horde

the cross of christ  
turned upside down  
symbol of his supposed defeat  
those in darkness  
rejoice in this  
but the truth is revealed to the chosen  
christ stormed the gates of hell  
to take the keys thereof  
now the keys of death and hades  
belong to the enternal one  
hell awaits the demonic forces  
who seek to prevent the cross  
flaming hellfire destruction  
is their final dwelling place  
so  
what remains to be said  
invert the inverted cross  
the inversion is but a lie  
upright it should stand  
no longer an inversion  
but a symbol of supreme victory
