

Swingin' Home For Christmas

The Tractors

I'll be swingin' home for Christmas
I'll be swingin' home to you
Don't you worry, have no fear
Count on me, I'll be there
I'll be swingin' home for Christmas this year Well I've been all the way
From the San Francisco Bay to New York, to Hollywood
But no matter where I roam Oklahoma is my home
I'll be swingin' home like a Tulsa boy should I'll be swingin' home for Christmas
I'll be swingin' home to you
Don't you worry, have no fear
Count on me, I'll be there
I'll be swingin' home for Christmas this year I've been workin' nine to five, tryin' to survive
But I think I got myself a better plan
Told my boss he could stick it
Packed my bags, bought a ticket
I'll be swingin' home as fast as I can
