Undo

The 1975

Twist round the lounge
Sun drowns- the house
Stick another pill in my head
And go to bed
We're not doing it again
So leave itI didn't even see you when I liked you
No, I ain't got no time
Girl
I wanna see you undo it
I wanna see you but you're not mineBombs have run out
Call round the town
I could her you giving her head
She said:
"You think we're doing it again? Keep dreaming"I didn't even see you when I liked you
No, I ain't got no time
Girl
I wanna see you undo it
I wanna see you but you're not mine
I didn't even see you when I liked you
No, I ain't got no time
Girl
I wanna see you undo it
I wanna see you but you're not mineI didn't even see you when I liked you
No, I ain't got no time
Girl
I wanna see you undo it
I wanna see you but you're not mine
I didn't even see you when I liked you
No, I ain't got no time
Girl
I wanna see you undo it
I wanna see you but you're not mineI wanna see you but you're not mine x12
