

Up Where We Belong

The Truthettes

Who knows what tomorrow brings
In a world few hearts survive?
All I know is the way I feel
When it's real, I keep it alive
The road is long
There are mountains in our way
But we climb a step every day
Love lift us up where we belong
Where the eagles cry
On a mountain high
Love lift us up where we belong
Far from the world below
Up where the clear winds blow
Some hang on to, 'used to be'
Live their lives looking behind
All we have is here and now
All our life out there to find
The road is long
There are mountains in our way
But we climb a step every day
Love lift us up where we belong
Where the eagles cry
On a mountain high
Love lift us up where we belong
Far from the world we know
Where the clear wind blows
Time goes by, no time to cry
Life's you and I, a life today
Love lift us up where we belong
Where the eagles cry
On a mountain high
Love lift us up where we belong
Far from the world we know
Where the clear winds blow
Love lift us up where we belong
Where the eagles cry
On a mountain high
Love lift us up where we belong
