I'm a Lover

Graham Bonnet

I feel so lonely, even though you're around
You're putting me down baby, and it's all over town
They're calling me bad, they say I ain't got no heart
But that ain't true babe, and it's tearing me apart, tearing me apart.I ain't a fighter, but I'm a man
I'm a lover, just doing the best I can
I ain't a fighter, but I'm a man
I'm a lover, just doing the best I canAnd I ain't trying, to do no body no wrong
So if you want some loving, please come along
Give me your courage, and give me your pride
I'll give you loving, that can't be denied, can't be deniedI ain't a fighter, but I'm a man
I'm a lover, just doing the best I can
I ain't a fighter, but I'm a man
I'm a lover, just doing the best I can
I ain't a fighter, but I'm a man
I'm a lover, just doing the best I can
I ain't a fighter, but I'm a man
I'm a lover, just doing the best I can
