WILD

Troye Sivan

(Wild, wild, hey)Trying hard not to fall
On the way home
You were trying to wear me down, down
Kissing up on fences
And up on walls
On the way home
I guess it's all working out, now'Cause there's still too long to the weekend
Too long till I drown in your hands
Too long since I've been a fool, ohLeave this blue neighborhood
Never knew loving could hurt this good, oh
And it drives me wild'Cause when you look like that
I've never ever wanted to be so bad, oh
It drives me wildYou're driving me wild, wild, wild
You're driving me wild, wild, wild
You're driving me wild(Wild, wild, hey)White noise in my mind
Won't calm down
You're all I think aboutRunning on the music
And night highs
But when the light's out
It's me and you now, now'Cause there's still too long to the weekend
Too long till I come in your hands
Too long since I've been a fool, ohLeave this blue neighborhood
Never knew loving could hurt this good, oh
And it drives me wild'Cause when you look like that
I've never ever wanted to be so bad, oh
It drives me wildYou're driving me wild, wild, wild
You're driving me wild, wild, wild
You're driving me wild, wild, wild
You're driving me wild, wild, wildYou make my heart shake
Bend and break
But I can't turn away
And it's driving me wild
You're driving me wildYou make my heart shake
Bend and break
But I can't turn away
And it's driving me wild
You're driving me wild(Hey)
Leave this blue neighborhood
Never knew loving could hurt this good, oh

And it drives me wild'Cause when you look like that
I've never ever wanted to be so bad, oh
It drives me wildYou're driving me wild, wild, wild
You're driving me wild, wild, wild
You're driving me wild, wild, wild
You're driving me wild, wild, wild(Wild, wild, wild, hey)
