

# Rock 'n' Roll Massacre

## Vice Squad

A little sister of the holding company  
Her future cut short, accidental O.D. Rock`n'roll massacre  
Rock`n'roll massacre Jumping jack flash found a watery grave  
A spotlight on you, that's how you behave  
In a purple haze turn to another pill  
Choke on your own vomit, die in notting hill Bible-pusher's son was alright then  
For a backstreet Crawler the flight didn't end
