

The Sun, The Moon and Stars (Original Version)

Prince

It's late and I'm running out of clever things to say
The kind that will bring a girl like you to tears
There's only one more glass of this rose
Let's throw it on the fire with our past
And dance the night away until The sun, the moon and stars
Don't seem as far as they did yesterday
The sun, the moon and stars
In love we are - forever, always It's late and I think it's about time for you and me to get closer,
To get closer than we ever did before (oh)
Whenever there's a tide you can let it ride inside your interior
Lay back, relax upon my shore (oh)
Oh-oh baby, I want to make love to you right here
One inside the other one, no fear, we're here until The sun, the moon and stars
Don't seem as far as they did yesterday
The sun, the moon and stars
In love we are, forever, always Blow out this candle sunlight
And come lay down next to me
And paint another rainbow, oh-wee (oh-wee)
Eclipse this light with ecstasy Come on, come on
Let's lay down
I'm walking out of what to say
That kind of lucky rhyme
Make a chippy want to say:
Whisper in the belly
To me rocking rose
Do you like I do
Come on and dance the night away
Let's lay before they get to close the door
You and me, we got to get down on the floor
Come on, let the tide ride in and off the shore
I want to love you once again, and then some more
Lay your head back I got my hand behind your head
Like you do the limbo supple on the bouncy bed
Let's bouncing on the summer spring
And when you start to fall
You come like a cold winter due in Montreal (Come on baby)
(The sun, the moon and stars) hey-hey, hey-hey
(The tide ride) hey-hey, hoo-hoo
(The tide ride, hou) The sun, the moon and stars

Don't seem as far as they did yesterday
The sun, the moon and stars
In love we are, forever, alwaysThe sun, the moon and stars
Don't seem as far as they did yesterday
The sun, the moon and stars
In love we are, forever, always
