Lightning Strikes (Feat. Nervo & Tony Junior)

Steve Aoki

In you
I lose myself looking for help
In you, not like before
Like no one else, like no one elseI can't contain these burning lights will find you
And I can't fight it
Lightning, lightning strikes, strikes, strikes
Lightning, lightning strikesStrikesIt's you
You're like a drug I can't give up
It's you, my mind and soul
Tell me where you're from cause I know what elseI can't contain these burning lights will find you
And I can't fight it
Lightning, lightning strikes, strikes, strikes
Lightning, lightning strikesStrikes
