

I Understand

Freddie & The Dreamers

I understand just how you feel
Your love for me, why not reveal?
It's over now but it was grand
I understand, I understand

If you ever change your mind
Come back to me and you will find
Me waiting here, at your command
I understand, I understand

Ohhh, I miss you so, please believe me when I tell you
That I just can't stand to see you go
For I know

If you ever change your mind
Come back to me and you will find
Me waiting here at your command
I understand, I understand

I understand just how you feel
Let bygones be bygones.
But always remember I love you, I love you, I love you

We'll take a cup of kindness yet
For the sake of auld lang syne
I understand
