

# In Arrivals

## Trembling Blue Stars

Looking through the window of a train  
To the place  
We stood  
With your suitcase  
Our footsteps I've retraced  
You're in Departures - the sky awaits you  
My mornings will be your nights  
Here on Greenwich Mean Time  
The difference  
Adds to the distance  
And something will remain amiss  
Until I see you...  
Until I see you in Arrivals  
Until I see you in Arrivals  
I'm heading for the streets  
We walk most every week  
And something will remain amiss  
Until I see you...  
(My mornings will be your nights, your nights)  
Until I see you in Arrivals  
Until I see you in Arrivals  
Until I see you in Arrivals  
Until I see you in Arrivals
