

Shotgun Wedding

Jamie Lynn Spears

Wasn't nothing but a Friday night
Told me he loved me
And it just felt right
Didn't take more than a couple weeks
I got the news in the ladies room at the BP
A little pink plus and
There wasn't no guessing
We're gonna have us
A shotgun wedding

It ain't cause momma
Didn't raise me right
Ain't 'cause daddy
Didn't try try try
Two bored kids
On a Friday night
Got to kissing in the dark
In a parking lot
Calling up family
And we're making plans
Giving me a
Hand-me-down wedding band
Ready or not
Daddy's gonna
Give his blessing
On a shotgun wedding

My white dress
May be off a shade
But still gonna be
My perfect day
And knowing the redneck
Side of the room
There might even be
A shotgun or two
The backyard's gonna
Be the perfect setting...
We're gonna have us

A shotgun wedding

It ain't cause momma
Didn't raise me right
Ain't 'cause daddy
Didn't try try try
Two bored kids
On a Friday night
Got to kissing in the dark
In a parking lot
Calling up family
And we're making plans
Giving me a
Hand-me-down wedding band
Ready or not
Daddy's gonna
Give his blessing
On a shotgun wedding

I ain't trying to say it's right
Cause you can make a lotta plans
But you can't plan life

It ain't cause momma
Didn't raise me right
Ain't 'cause daddy
Didn't try try try
Two bored kids
On a Friday night
Got to kissing in the dark
In a parking lot
Calling up family
And we're making plans
Giving me a
Hand-me-down wedding band
Ready or not
Daddy's gonna
Give his blessing
On a shotgun
On a shotgun
On a shotgun wedding

Yeahhh,
On a shotgun wedding
