Ride Into The Sun

The Velvet Underground

Looking for another place
Someone else to be
Looking for another chance
To ride into the sun
Ride into the sun
Ride into the sun
Ride into the sun
Ride into the sun
Where everything seems so pretty
When you're lonely and tired of the city
Remember, it's a flower made out of clay

To the city
Where everything seems so ugly
When you're sitting at home in self pity
Remember, you're just one more person
Who's living there
It's hard to live in the city
It's hard to live in the city
It's hard to live in the city
It's hard to live in the city
