

# Ride Into The Sun

## The Velvet Underground

Looking for another place  
Someone else to be  
Looking for another chance  
To ride into the sun  
Ride into the sun  
Ride into the sun  
Ride into the sun  
Ride into the sun

Where everything seems so pretty  
When you're lonely and tired of the city  
Remember, it's a flower made out of clay

To the city  
Where everything seems so ugly  
When you're sitting at home in self pity  
Remember, you're just one more person  
Who's living there  
It's hard to live in the city  
It's hard to live in the city  
It's hard to live in the city  
It's hard to live in the city
