

Loneliness (Klub Mix)

Tomcraft

Happiness and loneliness
Happiness and loneliness
Happiness and loneliness
Happiness and loneliness
Happiness and loneliness Happiness seems to be loneliness
And loneliness should my word
How could you guess when you only
Thinking of yourself how you looked
To other girls Happiness seems to be loneliness
And loneliness should my word
How could you guess when you only
Thinking of yourself how you looked
To other girls Happiness seems to be loneliness
And loneliness should my word
How could you guess when you only
Thinking of yourself how you looked
To other girls Happiness and loneliness
Happiness and loneliness Happiness seems to be loneliness
And loneliness should my word
How could you guess when you only
Thinking of yourself how you looked
To other girls Happiness seems to be loneliness
And loneliness should my word
How could you guess when you only
Thinking of yourself how you looked
To other girls Happiness seems to be loneliness
And loneliness should my word
Happiness seems to be loneliness
And loneliness should my word
Happiness seems to be loneliness
And loneliness should my word
Happiness seems to be loneliness
And loneliness should my word
