

# Right Time (feat. Clara Benin)

Johnoy Danao

Pains of the past  
Makes for a guarded heart  
But he saw her lightAnd walked right in  
It felt familiar, felt like home  
With a broom in his hand  
He swept her off her feetLonely days and nights  
Have long been gone  
What once was lost  
Has now been found  
Like the stars to the dreamers  
Like the sea to the shore  
With a hand to hold  
The future has been toldAnd she saidIt's the right time  
To fall in love again  
It's the right time  
To be loved again  
It's the right time  
To feel this way again  
It's the right time, it's the right timeOnce in a while  
We meet someone who'll stay  
And lifts us up  
To heights we never knew  
We share the saddest of sorrows  
And never feel alone  
Ever againIt's the right time  
To fall in love again  
It's the right time  
To be loved again  
It's the right time  
To feel this way again  
It's the right time, it's the right timeSo we sayIt's the right time  
To fall in love again It's the right time  
To be loved again  
It's the right time  
To feel this way again  
It's the right time, it's the right time  
It's the right time  
To say yes to this  
It's the right time

To give in to this bliss  
It's the right time  
It's never late  
Hearts won't break  
Time won't fade a love like this  
Time won't fade a love like this
