## Inxs

Well, I never knew much, enough was enough  
The reasons were not always there  
But the look in your eyes hides that surprise  
I would never have counted on this  
Well lately, you look around  
You're wondering what you're doing  
Yeah lately, you look around  
You're wondering what you're seeing  
What you're doing  
The taste of your freedom was sweeter than love  
'Cause you never had a chance to live  
Your blue sky calls to seduce and bewitch  
And give you the wings of your fate  
Yeah lately, you look around  
You're wondering what you're doing  
Yeah lately, you look around  
You're wondering what you're seeing  
What you're doing  
Li-lately  
I never knew much, enough was enough  
The reasons were not always there  
But the look in your eyes hides the surprise  
I never have counted on this  
Well lately, you look around  
You're wondering what you're doing  
Yeah lately, you look around  
You're wondering what you're seeing  
Well lately, you look around  
You're wondering what you're doing  
Yeah lately, you look around  
You're wondering what you're seeing  
What you're doing  
What you're seeing, yeah  
Li-lately, li-lately, li-lately  
What you're doing  
Li-lately  
Li-lately  
Li-lately
