Devil's Work

Miike Snow

...
The light from the primitive sun
You I really want to have
...
Before I lost this cypher?
...
My hands are feel like I've been here before
...
Anyway
There's No Reason to get hurt
You don't need to sell your shirt
To do the devil's work
You finally found your place
...
You know you'll always work

...
I saw someone who look like you on
The platform of Bondi Station
From a younger era
...
You only need somebody to love
....
My hands are feel like I've been here before
Anyway
There's reason to get hurt
You don't need to sell your shirt
To do the devil's work.
You finally found your place
You know it's always worse
You know it's always worse
