

# Trucker Hat

## Bowling For Soup

This is the song that reminds me of my trucker hat  
That I used to wear not to block out the sun  
With a John Deere logo and a stain on the back  
From where you laid me out flat, one look I was done  
And all these things mean nothin' to me  
When I'm with you I've got everything  
I can walk and I can pee  
(Aaa)  
Even Daddy would agree  
You and I were meant to be  
It's easy to see  
I'll never go out of style on you  
And nothin' really feels the way you do  
Nothin' in the world could ever make me look as good  
When you fit me like you do  
This is the verse about the parachute pants  
That I learned to break dance in and thought I was good  
So much for believing the fat guy doesn't win  
Get the girl in the end I never thought that I could  
And all these things mean nothing to me  
When I'm with you I've got everything  
I can walk and I can pee  
(Aaa)  
Even Daddy would agree  
You and I were meant to be  
It's easy to see  
I'll never go out of style on you  
And nothin' really feels the way you do  
Nothin' in the world could ever make me look as good  
When you fit me like you do  
I'm not the perfect guy, a little slow  
But I've got perfect timing with you  
(Got perfect timing with you)  
Take a look around, outside the in crowd  
There ain't nothing, we can't do  
I'll never go out of style on you  
And nothin' really feels the way you do  
Nothin', in the world could ever make me look as good

When you fit me like you do  
I'll never go out of style on you  
And nothin' really feels the way you do  
Nothin' in the world could ever make me look as good  
When you fit me like you do  
I'll never go out of style on you  
(Aaa)  
And nothing really feels the way you do  
(Aaa)  
Nothing in the world could ever make me look as good  
(Aaa)  
When you fit me like you do
