

If You Dare

[AC/DC](#)

Honey do you love me
Love me like you do
Honey won't you come outside and play
If you dare
If you dare

Honey do you love me
Love me like you do
Woman won't you come outside and play
If you dare
If you dare

Woman if you love me
Love me like you do
Love me like you say
Woman won't you come outside and play
If you dare
If you dare
If you dare
If you dare

Come outside
Come outside
Come outside and play
If you dare
Come outside
Come outside
Come outside and play
If you dare

If you
If you
Dare

Come outside and play
