Search And Destroy

Iggy Pop ba

Grab your gun, time to go to Hell
I'm no hero, guilty as charged
Search and destroy
Found my faith, living in sin
I'm no Jesus, but neither are you my friend
I'm a whore, a birth of broken dreams
This simple answer is never what it seems
A million little pieces we've broken into
A million little pieces I've stolen from you
Search and destroy
Search and destroy
(Woah oh oh woah)
Search and destroy
Search and destroy
Sold my soul to Heaven and to Hell
Sick as my secrets, but never gonna tell
I'm to blame, burden of my dreams
A curse of faith and a blessing I believe, I believe, I believe
I believe
Oh, I believe (a million little pieces)
I believe
Search and destroy
Search and destroy
(Woah oh oh woah)
Search and destroy

Search and destroy
Search and destroy
Let go, let go
Let me go, let me go
Let go, let go
Let me go
Search and destroy
A million little pieces
A million little pieces
A million little pieces
A million little pieces
(Search and destroy)
A million little pieces

A million little pieces
A million little pieces
Stolen from you
Woah oh oh woah
Woah oh oh woah
Woah oh oh woah
Woah oh oh woah
Search and destroy (Woah oh oh woah)
Search and destroy (Woah oh oh woah)
Search and destroy (Woah oh oh woah)
Search and destroy (Woah oh oh woah)
A million little pieces
A million little pieces to start
