

Good Kisser (RootedSoul Bootleg 2014 Remix)

[Usher](#)

Make every minute worth it, baby
This for Usher, baby (watch this) I done been around the world, I done kissed a lot of girls
So I'm guessin' that it's true
Make me holla and I bet a million dollars
Don't nobody kiss it like you
Don't nobody kiss it like you, don't nobody kiss it like you, ba-baby
Don't nobody kiss it like you, don't nobody kiss it like you It's 5 in the mornin'
Kush is rollin' while she's makin' steak and eggs
At 5 in the mornin'
We can only be about to do one thing (what?) See, I told her
The devil is a lie
Them other girls can't compete with mine
You do it so good, you fuck my mind
You pull it out, then you open wide
You make me wanna tap out and retire
Your pretty lips leave me so inspired I think that she's a winner
She could be a keeper 'Cause she's such a good kisser
Got lipstick on my leg
Oh baby
She's such a good kisser
I'ma rain on this parade
Oh baby I done been around the world, I done kissed a lot of girls
So I'm guessin' that it's true
Make me holla and I bet a million dollars
Don't nobody kiss it like you
Don't nobody kiss it like you, don't nobody kiss it like you, ba-baby
Don't nobody kiss it like you, don't nobody kiss it like you This girl, she's my hero
Get dinero, euros, pesos, francs and yen
(I ain't wanna check off either)
I'm starin' at your barrel
Pull the trigger, chitty, chitty, bang, babe See, I told her
The devil is a lie
Them other girls can't compete with mine
You do it so good, you fuck my mind
You pull it out, then you open wide
You make me wanna tap out and retire
Your pretty lips leave me so inspired I think I got a winner
Could be a keeper 'Cause she's such a good kisser
Got lipstick on my leg

Oh baby
She's such a good kisser
I'ma rain on this parade
Oh baby Listen, the only thing I know
You give it to me, baby, with good flow
Don't ever run it back, come on, keep goin'
Just give it to me, give it up to me, give it up to me
I can't keep my control
Every time that I see you hit that floor
Just keep on givin' it to me, I want mine
Just come on baby, just give it to me, give it up to me Kiss it good, kiss it right
Keep it up, we be kissin' all night
Kiss it good, kiss it right
Keep it up, we be kissin' all night
Kiss it good, kiss it right
Keep it up, we be kissin' all night
Kiss it good, kiss it right
Keep it up, we be kissin' all night She's such a good kisser
Got lipstick on my leg
Oh baby
She's such a good kisser
I'ma rain on this parade
Oh baby I done been around the world, I done kissed a lot of girls
So I'm guessin' that it's true
Make me holla and I bet a million dollars
Don't nobody kiss it like you
Don't nobody kiss it like you, don't nobody kiss it like you, ba-baby
Don't nobody kiss it like you, don't nobody kiss it like you
