

You Shouldn't Kiss Me Like This

Toby Keith

I've got a funny feeling
The moment that your lips touched mine
Something shot right through me
My heart skipped a beat in time
There's a different feel about you tonight
It's got me thinking lots of crazy things
I even I think saw a flash of light
It felt like electricity[Chorus:]
You shouldn't kiss me like this unless you mean it like that
Cause I'll just close my eyes and I won't know where I'm at
We'll get lost on this dance floor spinning around
And around and around and around
They're all watching us now they think we're falling in love
They'd never believe we're just friends
When you kiss me like this I think you mean it like that
If you do baby kiss me againEverybody swears we'd make a perfect pair
But dancing is as far as it goes
Girl you've never moved me quite the way you moved me tonight
I just wanted you to know
I just wanted you to know[Chorus]
