

I Can Tell (2012 Remastered Version)

Dr. Feelgood

I can tell cause it's plain to see
I can tell the way you look at me
The way that you smile when you hold my hand
I know pretty baby cause I understand[Chorus]
I can tell
I can tell
I know you don't love me no moreGonna tell your mama
Gonna tell your papa too
Just what more can a good man do
You been running round with joey brown
I know pretty baby that you put me down[Chorus]I called you up on the phone
Strange voice tells me you're not at home
Your mama told me you know you can wait
When you show up you know your draggin' real late[Chorus]
