

High Risk Insurance

Ramones

High risk insurance, the time is right
High risk insurance, the time is right
Got endurance, I was trained
I got my sights adjusted and my telescope tightened
High risk insurance, the time is right
High risk insurance, the time is right
Everybody wants an explanation
I got no love for the enemy nation
High risk insurance
High risk insurance
High risk insurance
High risk insurance
High risk insurance, the time is right

High risk insurance, the time is right
Now everybody wants an explanation
I got no love for the enemy nation
You gotta fight to stay independent
I got my pride and I'm gonna defend it
Got endurance, I was trained
I got my sights adjusted and my telescope tightened
High risk insurance
High risk insurance
High risk insurance
High risk insurance
High risk insurance
High risk insurance
