

# Donnie Catch a Horse

R.W. Hampton

(C)I left my home so(EM) long ago  
I (F) rambled near and (C) far  
I traded my old (Am) boots and spurs for a  
(D)Cry and moan (G) guitar (C)  
And what I lost (Em) along the way  
The (F) good lord only (C) knows  
But I ain't sold my (Am) saddle yet  
And while I (F)still got the (G) time to (C) go  
I'm singin;

Donnie catch a (Em) horse for me  
You know the (F) one that I never could (C) ride  
And Jake You snub him up (Am) real close  
I'm gona (D) give him another (G) try  
(C) Me and tom'll ride the (Em) cedar breaks  
And the (F) wild ones (Em)rope and (Dm) tie  
(C) Bonnie Gray if (Am) your still free  
Would you, (F) be a (G) cowboys (C) bride

(C) From the Big Horns to (Em) Dakota line  
Where (F) the Bel'fouche river (C) runs  
I've rode a many a (Am) frozen mile, but I've  
(D) had a lot of (G) fun  
(C) I ran my first wild (Em) horses there  
Lord I've, (F) never been the (C) same  
But I long to see the (Am) sun go down  
On the (F) Thunder (G) Basin (C) range  
A singin;

Donnie catch a (Em) horse for me  
You know (F) the one that I never could (C) ride  
Jake you snub him up (Am) real close  
I'm gona (D) give him another (G) try  
(C) Me and tom'll ride the (Em) cedar breaks  
And the (F) wild ones(Em) rope and (Dm) tie  
(C) Bonnie Gray if (Am) your still free  
Would you, (F) be a (G) cowboys (C) bride  
  
(C) I've got a gal who's(Em) true to me  
(F) She's waited for so (C) long

She wanted nothin (Am) more from life than a  
(D) Family and (G) home  
(C) First thing in the (Em) mornin  
I'll ride (F) out and see her (C) pa  
Then she and I are gona (Am) settle down  
At (F) the head of a (G) cottonwood (C) draw  
A singin;

Donnie catch a (Em) horse for me  
You know (F) the one that I never could (C) ride

Jake you snub him up (Am) real close  
I'm (D) gona give him another (G) try  
(C) Powder River Tom (Em)let her buck  
The (F) Missouri's (Em) deep and (Dm) wide  
(C) Bonnie Gray if (Am) your still free  
Would you, (F) be a (G) cowboys (C) bride
