## **Around The World**

## Atc

The kisses of the sun Were sweet I didn't blink I let it in my eyes Like an exotic dream The radio playing songs That I have never heard I don't know what to say Oh, not another word Just la la la la la It goes around the world Just la la la la la It's all around the world Just la la la la la And everybody's singing La la la la la And now the bells are ringing La Inside an empty room My inspiration flows Now wait to hear the tune Around my head it goes The magic melody You want to sing with me Just la la la la la The music is the key And now the night is gone Still it goes on and on So deep inside of me I long to set it free I don't know what to do Just can't explain to you I don't know what to say

Oh, not another word

Just la la la la la

It goes around the world

Just la la la la la

It's all around the world

Just la la la la la

And everybody's singing

La la la la la

And now the bells are ringing

La la la la la

La la la la la la

La la la la la

La la la la la la

La la la la la

La la la la la la

La la la la la

La la la la la la

The kisses of the sun

Around

La la la la la

It goes around the world

Just la la la la la

It's all around the world

Just la la la la la

And everybody's singing

La la la la la

And now the bells are ringing

La la la la la

La la la la la la

La la la la la

La la la la la la

La la la la la

La la la la la la

La la la la la

La la la la la la

La la la la la

(Around, around, around the world)

La la la la la la

La la la la la

La la la la la la

La la la la la

La la la la la la

La la la la la

La la la la la la
