Hope Now

Addison Road

If everything comes down to love
Then just what am I afraid of
When I call out Your name
Something inside awakes in my soul
How quickly I forget I'm Yours

(PRE-CHORUS)
I'm not my own
I've been carried by You
All my life

(CHORUS)
Everything rides on hope now
Everything rides on faith somehow
When the world has broken me down
Your love sets me free

When my life is like a storm
Rising waters all I want is the shore
You say I'll be ok and
Make it through the rain
You are my shelter from the storm

(CHORUS)
Everything rides on hope now

Everything rides on faith somehow
When the world has broken me down
Your love sets me free

I am not my own
I've been carried by you my whole life

(CHORUS)
Everything rides on hope now
Everything rides on faith somehow
When the world has broken me down
Your love sets me free
(Repeat 2x)

(CHORUS 2)
You've become my hearts desire
I will sing Your praises higher
Cause Your love sets me free
Your love sets me free
Your love sets me free
