

# Mama and Papa

Trevor Hall

Gotta open up  
Moons have been rising and falling  
Go inside  
Have no fear  
I heard it close like a whisper  
And now I got it in my bone dear Oh my Lord  
Oh my God  
Have you been standing there all along  
Eyes are filled with water  
Filled with water falling down  
Demons now running out of town  
Because Mama's got love  
And Papa's got love That was then  
And this is now  
Time it been passing good things around  
The river floods  
The river's full  
Strings of my heart well they  
They still pull  
We still heal We still grow  
All of those good seeds  
We still sow  
Eyes are filled with water  
Filled with water falling down  
Demons still running out of town  
No matter where we may run  
Swallow up moon and sun  
Both eyes open  
It is there  
Whatever you dreaming on  
Out beyond right and wrong  
I can see it  
I can see it I can breathe it in I swear
