

Gotta Lotta Nerve (Perfect Perfect)

Hall & Oates

I've gotta lotta nerve a
Gotta lotta do do do
You got, you got it
Gotta lotta nerve a
You, you, you
Gotta lotta nerve a Oh no, stop bitching indiscretion
You're such an A1 lover
Since when are you perfection?
Never true blue to me
So why are you getting nasty?
Well, it's lucky for you
That I'm gonna keep dancing
Oh, I know Everyone you know is perfect, perfect
Everything you do is perfect, perfect
Everywhere you go is perfect, perfect
So on, so on But you gotta lotta nerve
(Gotta lotta)
When you talk about love
If you gotta lotta nerve
(Perfect nerve a)
We can talk about love Oh, you've gotta lotta nerve a
(Gotta lotta)
To be talking about love
Yeah, you gotta lotta nerve
(Perfect nerve)
To be talking about love Oh yeah yeah
(Do do wop)
Yeah yeah
You gotta lotta I say listen to you
Oh your roots will be showing
Better watch what you say and do
Or your cool you'll be blowing
We're talking 16 tons of nerve a
We're talking 16 tons of
We're talking 16 tons of nerve a
We're talking perfect nerve Everyone you know is perfect, perfect
Everywhere you go is perfect, perfect
Everything you do is perfect, perfect
So on, so on Yeah, you gotta lotta nerve

(Gotta lotta)
When you talk about love
If you gotta lotta nerve
(Perfect nerve a)
We can talk about love We can talk about love
(Talk about love)
We can talk about love
(Talk about love)
To be talking about Everyone you know is perfect, perfect
Everything you do is perfect, perfect
Everywhere you go is perfect, perfect
So on, so on Everyone you know
(Perfect)
