

When Love Comes Back Again

[Donna Hughes](#)

Have you ever, felt the sting of a broken heart?
Were you watching, while your whole world fell apart?
Have you wondered, how things might have been?
But aint it funny?
When loves comes back againHave you mastered,
The art of looking strong?
When you're dying, but you never let it show
Have you pretended, you're the best you've ever been?
But aint it funny?
When love comes back againChorus: All those nights you spent alone
With the moonlight climbing in
Many days of feeling low
Then suddenly, you're standing tall when love comes back againHave you ever lost your faith of finding love?
and have you questioned, the reasons from above?
Were you aching, watching strangers holding hands?
But aint it funny?
When you find love again
