You Win Again

Roy Orbison

The news is out all over the town
That you've been seen a-runnin? round
I know that l should leave but then
I just can?t go, you win again
This heart of mine could never see
What everybody knew but me
Just trustin? you was my great sin
What can I do, you win again
This heart of mine could never see
What everybody knew but me
Just trustin? you was my great sin
What can I do, you win again
What can I do, you win again
