

# Walking on the Moon

Cas Haley

All Right Well, you know, you know, yeah I said, giant steps are what we take

Walking on the moon

Oh, I hope my legs don't break

Walking on the moon

I said, we could walk forever

Walking on the moon

I said, we could be together

Walking on, walking on the moon Ah, Walking on the moon I said, I'm walking back from your house

Walking on the moon

Oh, I'm walking back from your house

Walking on the moon

Oh, my feet they hardly touch the ground

Walking on the moon

I said, my feet don't hardly make no sound

Walking on, walking on the moon I said, some may say

I'm wishing my days away

But no way

Well, if it's the price I must pay

Whata you say?

Tomorrow's another day

What you say?

I may as well play Oh, you know, oh, you know, yeah Feel so nice I said, giant steps are what we take

Walking on the moon

Oh, I hope my legs don't break

Walking on the moon

I said, we could walk forever

Walking on the moon

I said, we could be together

Walking on, walking on the moon I said, some may say

I'm wishing my days away

But no way

Well, if it's the price I must pay

Whata you say?

Tomorrow's another day

What you say?

I may as well play Oh, you know, oh, you know, yeah All right, oh, I feel so nice Oh, keep it up, I keep it up right

now

I keep it up, I keep it up right now

I keep it up Oh, you got, oh you, got

I keep it up right now
