

Kiera (Tony Sly)

Frank Turner

Lay you down tonight
Under butterflies
Put my headphones on
I'll see you at the dawnLife for you is a better view
So simple and perfectly sane
If I pretend that you have a god
I know you'll be savedHey, hey
Build a wall for you
So no one can get through
We'll sleep away the day
I'm gone when you awakeMaybe I'm no good at this
But here's the one thing that I know
Think of this as a lullaby
To listen when I go
No, no
No, no
No, no
No, no
