

Crash

[Matt Willis](#)

Here you go way too fast
Don't slow down you're gonna crash
You should watch, watch your stay here
Don't lookout, you're gonna break your neck So shut, shut your mouth
Cause I'm not listening anyhow
I've had enough, enough of you
enough to last a lifetime through So what, what do you want from me?
Got no words of sympathy
And if I go around with you
You know that I'll get messed up too with you, with you na na na na na na na na na na
na na na na na na na na na na Here you go way too fast
Don't slow down, you're gonna crash
You don't know, what's been going down
You've been running all over town So shut, shut your mouth
Cause I'm not listening anyhow
I've had enough, enough of you
enough to last a lifetime through So what, what do you want from me?
Got no cure for misery
And if I go around with you
You know that I'll get messed up too
With you, with you, With you, with you na na na na na na na na na na
na na na na na na na na na nana na na na na na na na na na
Don't slow down you're gonna crash na na na na na na na na na na
Don't slow down you're gonna crash na na na na na na na na na na
Don't slow down you're gonna crash na na na na na na na na na na
Don't slow down you're gonna crash na na na na na na na na na na
Don't slow down you're gonna crash na na na na na na na na na na
Don't slow down you're gonna crash
