Saturday Night Cockfight

W.a.s.p.

Alright, all of you bloody bastards
Better hold tight
Oh yeah
It's Saturday night
Cockfighting rumbles
Going all night, alright
Tonight

Oh yeah it's cockfighting saturday
And I say Oh say Oh
All right, I'm gonna fuck or fight
It's my way, it's alright tonight

Oh it's saturday night
Oh I'm getting high and I say
Alright so high
At midnight
I'm out for blood and I say
Oh yeah, it's alright tonight

Give me your life
I'll give you mine
Oh a rumbles on tonight
It's do or die
An eye for an eye
Oh it's alright tonight
